Summer 2004 Newspaper in Education Order Form

The Sacramento Bee offers classroom sets of newspapers at no cost to schools within our delivery area. Donations from our sponsors (Bee subscribers, businesses, government agencies and The Bee) make this service possible.

To start your N.I.E. subscription, simply complete and return the order form below. Tell us your start and stop dates. Please allow

five business days before you schedule your first newspaper delivery. You may receive newspapers on as many days as you like (except Saturdays and school holidays). You can even receive the Sunday Bee.

We'll also send you information to help you plan your newspaper-based lessons. You'll receive the new N.I.E. instructional C.D. with lessons in all subject areas and for all grade levels. You will also receive your choice of the following teacher guides:

- **Fundamentals of Education** (grades K-12), a guide with lessons in basic skills.
- **The Election** (grades 5-12), a guide that focuses on the 2004 Presidential Election.
- **Summer Gold: International Sports Guide** (grades 4-8), a guide that will help you prepare for the 2004 Summer Olympics.

Your newspapers will be delivered to your school's main entrance. There's no cost for this service.
