

# A guide to Raley Field

Raley Field packs lots of features into a small space. It seats 11,092 people, with an additional 3,000 in the lawn seating areas. The lawn seating areas are a great place to spread out a blanket and offer a great view of both bullpens.

There is also an additional 250 seat spot in the right field barbecue area. This group-party area offers elevated seating for great views of the action as well as an all-you-can-eat barbecue buffet.
