Re: Do Not Patronize Notice Against:
Political Consultant Jude Barry and Catapult Strategies

Dear Political Directors:

The Federation's Executive Council has issued a "Do Not Patronize" notice against political consultant Jude Barry and his firm, Catapult Strategies, for supporting the efforts of an anti-union committee attempting to qualify a "Paycheck Deception" ballot measure for the November 2010 election. It's outrageous that a "democratic" consultant would support such anti-union efforts. We have talked with Mr. Barry and asked him to cease his relationship with the anti-union committee, but he refuses to do so.

We would like to know if you know of anyone currently using Mr. Barry's services or those of his firm, Catapult Strategies.

If so, we hope you will inform Mr. Barry that you will urge them to cease his services for supporting attacks against good union members.

Please let your allies know that they are discouraged from using Mr. Barry's services.

For further information on this matter, please feel free to contact Nichole Bennett 510.663.4045 or nbennett@calaborfed.org.

Thank you for your kind attention to this important issue to unions.

Sincerely,

Art Pulaski
Executive Secretary-Treasurer
